Chalets

Tennessee Hill Chalets

Ideally situated between Albany and Denmark, near the Southern Ocean Coast and the Cape Howe National Park, Tennessee Hill Chalets offers its guests a welcomed proximity to visit the major attractions of the Great Southern.

Built at the top of Tennessee Hill, on a property classified "Land for Wildlife", these chalets of an original and unique shape overlook the plain from the Wilson Inlet to the Porongurup and Stirling Ranges. You will be close to nature whilst enjoying a modern and high quality retreat - an unforgettable stay in the Great Southern.

The spacious, self-contained chalets have 2 bedrooms with 2 single and 1 Queen size beds of best quality, a living room, kitchen and a bathroom with toilet and shower. They are equipped with Air-conditioning, Woodheater, TV, Video, DVD and Internet. All linen and towels are provided.

We have given special attention to the finishing, the equipment and to an easy access for the disabled.
